

Unit of Cancer Epidemiology - CPO Piemonte

LESLIE T. STAYNER

Professor Leslie Thomas Stayner is one of the most prominent researchers in occupational and environmental epidemiology in the United States.

He is currently Professor of Epidemiology at the University of Illinois in Chicago. He also previously worked at the National Institute for Occupational Safety and Health where he was chief of the Risk Evaluation Branch. He has been a Visiting Scientist with the International Agency for Research on Cancer (IARC) and has been a working group member for various IARC monographs.
